**AN ADVENTURE
TOGETHER**

The activities usually take place on Saturday afternoons, and we also organise exciting camping trips away.

These activities take place without parents and are led by a well-trained team of young adults.

Scouting is the **largest youth organisation in Switzerland** and exists all over the world.

Everyone is welcome in Scouting, regardless of culture, religion or gender.

Joining the Scouts **costs little money** (compared to other leisure activities).

Scouting takes place in groups (scout sections) **all over Switzerland**.
