

Roverway is an international Guides and Scouts camp for Rovers (aged 16 to 22) from all over Europe. The camp typically consists of two parts: the Paths, where the participants explore Switzerland in smaller groups of around 70 people, and a main camp. The last Roverway took place in Norway in 2024 and lasted eleven days. Approximately 5500 Guides and Scouts participated. The next Roverway is scheduled to take place in Switzerland in 2028. That is why we are looking for a:

Department Lead Waste Management

If you have a strong aversion to waste and clutter, then the job as Department Lead for Waste Management is the perfect fit for you. Together with your team, you'll be responsible for organizing the collection and disposal of all waste on the grounds.

What you can expect:

- 1 meeting per month with your Division Leads
- approx. 4h of voluntary work per week
- close collaboration with your Co-Department Lead and your crew
- opportunity to contribute and further develop your know-how
- collaboration with international contacts
- expansion of your network at national and international level
- helping make an international Scout experience possible for approx. 5,000 participants and approx. 1,000 volunteers

What you bring to table:

- time, interest and motivation for a multi-year commitment
- drive to design and shape things
- Skills and experience in the field of transportation and waste management
- ability to keep an overview of a project
- good English skills and/or skills in another national language

Have we sparked your interest?

Then we look forward to hearing from you through this [form](#).

Do you have any questions?

Please feel free to contact us if anything is unclear, if you have open questions or if you would like to exchange ideas. We look forward to hearing from you and to your ideas.
